

Set your sights on...

the GARDEN

WHAT'S GROWING?

Want to introduce your campers to sprouts but don't know where to start?
30 à 45min.

DISCOVERING LOCAL FRUITS AND VEGGIES

What do you know about the fruits and vegetables grown near your home?
30min.

GARDENER'S TOOLBOX

Learn about the steps involved in establishing a garden at camp.

LET'S GO PETER!

Have fun learning about eco-responsible nutrition.
30min.

OPERATION G.A.R.D.E.N

Challenge your campers while allowing them to learn more about gardening.
60min.

I HAVE A GREEN THUMB

Growing sprouts is inexpensive, loads of fun, and most of all delicious! Why not learn to grow them yourself?
30min. et +

WANT TO DO MORE?

- Present an artistic activity that involves decorating a garden, identifying plants, or creating a scarecrow.
- Invent a song that lets you discover what's growing in the garden at camp.
- During idle moments spent waiting, present a quiz on garden vocabulary.
- Present a pick-your-own activity or arrange a visit to the garden with your campers.
